

MUSIC

Music was my first love
And it will be my last
Music of the future
And music of the past

To live without my music
Would be impossible to do
In this world of troubles
My music pulls me through

Music was my first love
And it will be my last.
Music of the future
And music of the past
And music of the past
And music of the past

Na na na na na
Na na na na na...

Music was my first love
And it will be my last
Music of the future
And music of the past

To live without my music
Would be impossible to do
'cos in this world of troubles
My music pulls me through
'cos in this world of troubles
My music pulls me through.
